

# ACTIVITIES AVAILABLE AT TOWER HILL

## Team building on our low initiative course.

We have 4 elements for groups which can be lead and facilitated by our trained staff as a team building exercise.

Tower Hill has 30+ acres of **nature trails** with signage to educate our guests on the local foliage. We also have relationships with Naturalists who are willing to come out and lead sessions or walks with your group.

Our **archery range** has 4 targets and can challenge the most skilled archer. No experience is necessary!

Our 40 foot high **climbing wall** is an adventure for all ages. Our trained and certified staff can lead a session with your group!

**Have another programming request you'd like us to help you with?**

**Call Julie and she can work with you!**

The pricing for activities is \$50 an hour for day groups and \$25 an hour for overnight groups. Interested in reserving activities when your group visits Tower Hill?
