

## LOWER CONFERENCE CENTER

*(Sleeping Capacity 32)*

The Lower Conference Center is heated/air-conditioned and consists of four bedrooms each with four single beds and two bunk beds. There are two large central bathrooms, a meeting room with tables and chairs in class room set-up. There is an additional meeting space with lounge furniture, TV/VCR/DVD and a hospitality center consisting of a small refrigerator, microwave and coffee pot. Linens (bedding and towels) are optional.
