

BOURDON HOUSE

BOURDON HOUSE (SLEEPING CAPACITY 7)

The Bourdon House is a heated/air-conditioned cottage and consists of three bedrooms (one room is a cozy loft with a single bed, one room upstairs with three single beds and one room downstairs with three single beds). There is a kitchenette with a refrigerator, microwave, toaster oven, 2 burner hot plate, coffee pot and small dining table, a comfortable lounge area with TV/VCR/DVD, one full bathroom with tub/shower and an additional powder room. Linens (bedding and towels) are provided.
