

# CLEVELAND CHAPEL ROMODELED

Cleveland Chapel at Pilgrim Park got a new look this winter! Due to a donation given through the Illinois Conference Major Gift Initiative and a contribution from St. Luke's Union, Bloomington, we were able to update the chapel.

The renovation included a new heating system and air-conditioning was added, making the chapel a much more comfortable place to worship in the late Spring- early Fall. Hardwood floors have also been a beautiful addition to this space.

If you visit our Chapel, you will also notice a huge cross hanging in the back of the room. The cross was given to Pilgrim Park in memory of the Congregational Church of Deerfield, which had to close their doors in 2016.

If your congregation would be interested in holding a worship service at Pilgrim Park, please contact us. The use of the chapel is free of charge, however donations are kindly accepted. Also, consider having us host a luncheon after the service.

BEFORE RENOVATIONS

A special Thank You goes out to all the donors who made this renovation possible.
