

ANDERSON COTTAGE/#6

What will you find in the Anderson Cottage?

The Anderson Cottage is open year round and features air conditioning and heat, a full kitchen with basic cookware and dishes, 2 bedrooms and 1 bathroom with bed linens and towels provided. The cottage has a screened in front porch that can double as a sleeping porch in the warmer months. During the summer months there is a grill available on the deck and guests are asked to bring their own charcoal. Cottage 6 has a fireplace and stocked woodbin. Tower Hill is a smoke free and pet free site.
